Welcome!

A warm welcome to the 21st Festival of Fireworks. We are sure that you will enjoy the UK's greatest firework spectacular in the attractive grounds of Catton Hall. Experience four breathtaking pyromusical displays. Take in the sights and sounds of our vintage steam rally (weather permitting) and treat yourself to a great selection of artisan foods – from wood-fired pizza to tasty churros – all from our specialist on-site caterers.

Please take the time to read through this leaflet. There is an information point situated at the entrance to the Hall Field. Please ask our representative at the desk should you have any questions or need advice. Please take special note of parking and exit instructions. The fireworks are situated in one location – hence you will not need to move once you have located a good viewing position. Toilets and catering outlets are located in the 'entrance' field. We hope that you will enjoy the evening's entertainment and look forward to seeing you again in future years.
